INDEX: CEMETERIES IN JERSEY COUNTY, ILLINOIS

These are cemeteries listed in the 1956 "Honor Roll of Jersey County", with names of veterans buried in each up to 1956. The Illinois Veterans Commission has never published the names and burial places of veterans after 1956.

A copy of the Honor Roll books in all Illinois counties is at the Illinois State Archives, Springfield IL 62756. All death dates included in all 21 pages of the Jersey County Honor Roll are given in the index of soldiers in this quarterly. Other information available is as shown in example. In some cases the unit or organization is not shown.

The Illinois State Archives, Springfield IL 62756, has a complete card listing of the soldiers listed in the HONOR ROLL books of each county, published by the Illinois Veterans Commission in 1956. Researchers can give them no more than two names at a time, and they can probably find other data on the soldier, and send some information to the inquirer.

A MACOUPIN COUNTY CEMETERY RECORD

"This record was copied from an old paper found in the Bible of an Albert E. Morris, now in the possession of Mrs. K. B. Vancil of Springfield IL." [That was written several unknown years ago, so don't expect to find those people now]. This was a D.A.R. record collected several years ago, which may be on file at the Illinois State Historical Library. If any of our readers of this STAR GENERAL JOURNAL is interested, Florence Hutchison may be able to locate it there some day.

"The names on the reverse side of this paper was given by the late Huriiah Smith to A. E. Morris as his recollection of deceased parties having been buried in graves near west side of the northeast quarter of Section 6 T. 9N R8W 3PM previous to 1866. Property later owned by Richard Morris, then by Albert Morris.

[This would be about 2 miles east of Chesterfield, Ill.]

Huriiah Smith told A. E. Morris the following"

John Raffurty, Thomas Weeks, Thomas Squires, Betsy Keller, Ben Utterback, Rezin Gudgeall. He entered NE $\frac{1}{4}$ Sec. 6, T.9N, R.8W August 15, 1836 = 177+ acres. Hannah Raffurty, James Raffurty a child, John Lumpkin a child, ___ Cleaves, A single person.

Parties of his recollection were buried near west line of NE $\frac{1}{4}$ of Sec. 6 on the Morris farm before the west line was established.

By Albert E. Morris

Also: Harriet Raffurty Rhoads, as known by Ellen L. Goddell Brown."

Mrs. Myra N. Martin of Waverly copied and indexed burials in the Pulliam Cemetery south of the Morgan County Line on Highway 111. The old Vancil Chapel one of the beautiful old country churches, has been demolished.

We have a copy of the Pulliam Cemetery if anyone is interested, as well as the Illinois State Historical Library, and the Sangamon Valley Collection 3rd floor Lincoln Library in Springfield.
